

Molecule Software Series and Flash Card Templates: 'Around The House'

These flashcard templates are based on the ClicSoft Molecule series of software titles and can be used independently or in conjunction with the software.

The Molecule software series is a collection of colourful matching and labelling activities for Foundation/Key Stage 1 level. They help develop mouse and communication skills and are suitable for Mainstream, Special Educational Needs and English as an Additional Language teaching.

Please view our website www.clicsoft.co.uk for further information.

Please note that these flash card templates are authorised for personal and school use only and are not to be used for commercial or any other use. Doing so would breach copyright.
